Planning - SMATS Transportation Planning Technical Committee

The Transportation Planning Committee also maintains a Technical Committee composed of individuals with expertise in transportation planning. The Technical Committee serves to provide advice and recommendations to the Transportation Planning Committee on all technical aspects of the transportation planning process.

The membership of the Technical Committee consists of the following:

1. One member representing the County Road Commission
2. One member representing the City of Saginaw
3. One member representing STARS
4. One member representing MDOT Bay Region
5. Representatives of the municipalities within the urbanized area based on population at the last official Census, as follows:
 - (a) One representative of municipalities with a population less than 5,000.
 - (b) One representative of municipalities with a population of 5,001 to 15,000.
 - (c) One representative of municipalities with a population over 15,000.
6. The Chair of the Transportation Planning Committee.

Meet: As needed, but at least quarterly

Membership: Eight members serving by virtue of Office or designated seat

Per Diem: None

Terms: N/A
