Dear Suzy,

I am respectfully requesting to be placed on the April 3rd agenda for the County Services Committee.

The Saginaw Children's Zoo (aka Children's Zoo at Celebration Square) millage, passed by County voters in August of 2014, is expiring.

We are seeking a renewal of the millage for the August 2024 ballot. The proposed language is attached.

Very sincerely yours,

A handwritten signature in black ink, appearing to read "Nancy Parker", is written over the closing of the letter.

Executive Director/President

Information about the Saginaw Children's Zoo (SCZ):

- **The Zoo is an iconic part of the County's history.** From the beginning with two bears and an alligator in 1929, today the Zoo provides natural habitats for over one hundred birds, mammals, reptiles/amphibians, and invertebrates.
- **The Zoo is accredited.** The Zoo facility is accredited by the gold standard of Zoos, the Association of Zoos, and Aquariums (AZA). In 2019, we became one of only 235 accredited facilities in the United States.
- **The Zoo is working to be a Zoo for all.** In 2018, we raised funds in the Community to make the Zoo train accessible. In 2024, our beautiful carved Celebration Square Carousel will become accessible for those with special needs. This season year we are opening new accessible restrooms, unisex/family restrooms, and nursing/quiet rooms.
- **The Zoo prioritizes spending in our County and reinvests in our Community.** In 2019, for the accessible train project, 84% of the funds were spent with local businesses and craftsmen. In 2024, over \$1.6 million of funds from individuals and area foundations are being invested in the Zoo. Both the architect and the general contractor are from Saginaw County.
- **The Zoo collaborates with Saginaw County arts, culture, parks, and scientific organizations** such as READ, Saginaw Choral Society, Saginaw County Parks, Friends of Hoyt Park, and Shiawassee National Wildlife Refuge.
- **The Zoo anchors a corner of the development on the Washington Avenue corridor.** Located prominently on the SW corner of M-13 and M-46, the Zoo occupies the south end of the development on Washington Avenue.
- **The Zoo educates County children.** We are a natural STEM learning center. In spring of 2023, 191 school groups participated. We collaborate with County educators.
- **The Zoo is a popular activity for families.** Since 2004, over 1,768,000 have visited.
- **The Zoo discounted admission fees for Saginaw County residents and schools in 2014 when the millage passed.**

RE: 2024 Report of Equalization

Chairman Boyd,

Please find attached the Form L-4024, Statement of Valuation in the year 2024 made in accordance with Sections 209.1-209.8 of the Michigan Compiled Laws. This is the Report of Equalization for all the Townships and Cities in Saginaw County.

The Total Equalized Value for Saginaw County is \$8,724,070,701 (preliminary). This is an increase of \$871,114,403 over the 2023 Equalized Value of \$7,852,956,298 or 11.09%. Real property increased by \$830,312,748 or 11.44%. Personal property increased by \$40,801,655 or 6.89%.

Saginaw County has one unit which will be receiving a factor in the Agricultural class this year. As stated above, this is preliminary because we have one unit which has not yet reported their 2024 values.

Respectfully,

Denise M Joseph
Equalization Director

Dear Chairman Webster:

As you know, Chairman Boyd has directed me to present information to the Saginaw County-County Services Committee for consideration and approval of the legacy project on the west corner of Johnson Street and Washington Avenue on Saginaw County-owned property. This letter serves as my request to present a summary of this project to the County Services Committee on April 3, 2024, at 4:00 p.m.

Information on the project location, vendor, and project cost is attached.

Please contact me at (989) 245-1223 if you have questions or need additional material.

Sincerely,

Annette Rummel, Ph.D./CEO
