---**Moved by Ruth, seconded by Winiecke, to approve. Motion carried.**

- V. Agenda

1. **Mark Thompson, President, Mobile Medical Response, re:**

- **2-22-5** Providing its tri-annual report on response times and other related information for the period January 1, 2021 through December 31, 2021 (*Receive & File*)
---**Discussion was held regarding the snowmobile accident that occurred the night of February 3, 2022 and why it took MMR 58 minutes to arrive on scene. Matt Kehn indicated that MMR had three units out doing long-distance transfers, and that there were seven other calls at the same time that the call for the snowmobiling accident came in. The committee was assured that there was an internal review of the incident occurring. Commissioner Winiecke asked if MMR response times for individual districts could be produced and was assured that the reports could be provided. Mr. Thompson indicated that MMR's response times were slightly below where they wanted to be, and that they are currently short about 50 employees, primarily road staff.**

2. **William L. Federspiel, Sheriff, re:**

- **2-22-6** Requesting discussion of a line up room, to demonstrate a recently purchased interactive first aid kit and to provide a Sheriff's Office update
---**Discussion was held regarding the request from Blair Stevenson for line-ups to occur, but there are no available spaces at the jail that would accommodate the minimum number of 6 people. Mr. Belleman asked if the jail hearing room could be widened and said that he would discuss the possibility with the architect. Sgt. Heather Beyerlein walked the committee through the use of the new First Aid Kit the Sheriff's Department purchased with a grant. Undersheriff Gomez told the committee that ideally, they would like to have two (2) or three (3) for the Courthouse and one for each deputy. They did not bring this to the committee to ask for money, just to demonstrate what it does, but would come back before the committee if funding was needed.**
---**No action taken.**

VI. Miscellaneous---**None**

VII. Adjournment---**Moved by Ruth, seconded by Winiecke, to adjourn. Motion carried; time being 4:59 p.m.**
