MICHIGAN COMMISSION ON LAW ENFORCEMENT STANDARDS

927 Centennial Way, Lansing, MI 48913

CANDIDATE'S PERSONAL HISTORY STATEMENT AND AFFIDAVIT

Instructions to the Applicant:

The Michigan Commission on Law Enforcement Standards (Commission) requires all candidates seeking law enforcement licensing, admittance to a basic law enforcement training academy, or admittance to the Recognition of Prior Basic Training and Experience (RPTE) program comply with the Commission's selection and employment standards. Candidates must maintain compliance with the selection and employment standards throughout the training period and at the time of initial licensing or reactivation of their law enforcement license.

The State of Michigan Administrative Code (Rule 28.14203(e)) requires that candidates "Possess good moral character as determined by a favorable comprehensive background investigation covering school and employment records, home environment, and personal traits and integrity. Consideration will be given to a history of, and circumstances pertaining to, having been a respondent to a restraining or personal protection order. Consideration shall also be given to all law violations, including traffic and conservation law convictions as indicating a lack of good moral character."

The information you provide in this personal history statement will be used to evaluate and determine your suitability for the position of law enforcement officer. The information you provide in this document will be discussed with you. If you are an academy recruit you will be required to sign and have this affidavit notarized in support of the provided information prior to the start of the academy.

Please read this questionnaire carefully and complete it accurately and thoroughly. Return the completed personal history statement with your application to a basic law enforcement training program, law enforcement agency, or the Commission as appropriate. When completing this personal history statement, please keep in mind that:

- 1. The completion of this form is mandatory,
- 2. All statements are subject to verification, and
- 3. In accordance with R 28.14601 through 28.14609, deliberately making false statements, committing fraud, or failing to disclose requested information are grounds for denying law enforcement licensure, enrollment into or dismissal from a basic law enforcement training program, and/or the RPTE program. Further sanctions by the Commission may be imposed including a two-year ineligibility period from applying for enrollment in any basic law enforcement training program, or permanently denying your application. Subsequent license revocation may also be imposed for making a materially false statement or committing fraud in the application process.

Required Attachments

To complete your background the following documents are required to be attached to your questionnaire:

- 1. High school diploma, GED, transcripts, or other proof of high school education. Attainment of an associate or baccalaureate degree shall be evidence of having met this standard.
- 2. For pre-service regional and pre-service college recruits, official college or university transcripts showing a degree was conferred. Official transcripts <u>must</u> contain the name of the institution, confirmation the degree was awarded, and it <u>must</u> include the registrar's signature. (Note: The Commission only accepts official transcripts for review.)

If a degree will be awarded following completion of the basic law enforcement training program, a letter from the college or university's registrar's office confirming that you will have completed all degree requirements may be sufficient, contact a Commission Field Representative for further guidance. An official copy of the transcript must be sent to the Commission upon conferral of the degree.

- 3. Copy of your military discharge (DD-214) if applicable. This shall be the long form DD-214, which is the unredacted, undeleted, unedited version. If you were the subject of any disciplinary action, administrative investigations, hearings, or poor performance evaluations while in the military, a copy of all related documentation is required.
- 4. Proof of U.S. citizenship (birth certificate, US passport, naturalization certificate, or certificate of citizenship). Photocopies or electronic copies are acceptable.
- 5. Any and all police reports or documents detailing your contacts with law enforcement.
- 6. Any Register of Actions for your court records.

It is to your advantage to respond openly. Any negative factor(s) in your background will be evaluated in terms of the circumstances and facts surrounding its occurrence, and its degree of relevance to the job of a law enforcement officer.

Do not leave any question or response blank. If a question does not apply mark the space "Not Applicable" or "N/A."
