

## February 27, 2024 Election Calendar of Dates

[Public Act 2 of 2023/Senate Bill 13](#), signed into law in 2023, moved the presidential primary date from the current statutory date of [March 12, 2024](#) to February 27, 2024. However, the act will not take effect until 90 days after the legislature adjourns for the year. At this time, it is uncertain when the legislature will adjourn and accordingly, which date the change to the presidential primary will take effect. **This calendar is aligned with a February 27, 2024, presidential primary date.** If the presidential primary ends up being later, some of these deadlines will fall on later dates, but the safest course of action is to assume the earlier deadlines will be in effect and adjust backward as necessary, rather than the opposite. The Bureau will amend the calendar, if necessary, once the legislature adjourns.
