#### How CollegeSave works

- **You'll earn 1,000 discount points when you sign up for the program.** Then each subsequent month you'll receive 250 points, as long as you visit any SilverSneakers participating locations seven times that month.

## About CollegeSave

- CollegeSave is a national membership organization dedicated to providing families innovative benefits and critical information needed to make the dream of a college education more affordable.
- The CollegeSave Tuition Savings Program offers college savings advice, a College Savings Roadmap, and free access to tuition discounts to nearly 400 private colleges and universities in 44 states.
- Tuition discounts are spread over four years and are good for up to one full year of tuition discounts at participating colleges and universities.

Students must be admitted to one of the participating colleges on standard admission criteria. Students use the rewards for discounts off full tuition in four equal installments from freshman to senior year of college. The tuition savings benefit is provided as a discount off tuition by each college; schools sign contracts with the program's college network administrator to honor the tuition discount (it is never paid in cash to a participating student or family). All students in the member's extended family are eligible, from birth to the beginning of the junior year of high school; members can name their child, stepchild, niece, nephew, cousin, godchild or grandchild as a beneficiary of the tuition discounts. There is no requirement for students to select a college they will attend in advance. The Tuition Discount points represent a guaranteed minimum scholarship that can be combined with other aid offered by the participating college. Additional requirements, including deadlines for registering students in the program and procedures for redemption of tuition discounts are provided in the CollegeSave Membership Terms and Conditions on the program membership portal.
