

Office Manager Cheryl Rytleski

Cheryl has been with the parks department since 2010. Not only does she run our office, she helped keep our office afloat amidst a sea of changes. Cheryl is the cheerful voice you get when calling the parks office, the smiling, friendly face that helps you with your pavilion reservation. Although she works behind the scenes her work impacts the whole operation. She is routinely found doing payroll, accounting, typing up Commission reports and tracking grant projects just to name a few. Whether she is in the office or out helping with parks programs, she always greets our patrons with a smile.

Before working for Parks Cheryl worked for Saginaw County's Criminal Division. Cheryl lives in Auburn with her husband Duane.
