Dear Chair Tany,

I request to be placed on the agenda of Courts and Public Safety subcommittee meeting to discuss being allowed to order patrol vehicles from the 2025 budget.

In the current budget year, we have still not received our ordered vehicles. There has consistently been a long wait time for the building and receiving of vehicles over multiple past budget years. We would simply like permission to place an order that would be paid on or after October 1, 2024.

These would only be vehicles that would be fully marked up and outfitted for general road patrol use. We have began budgeting a change over of 7 vehicles each budget cycle to prevent our road patrol vehicles from accumulating high mileage (change over near or just over 100,000 miles). Changing out vehicles every three years allows for achieve our goal.

The account number for vehicles is 20731500-98100
