

Saginaw County Proposal 22-2
Saginaw County Mosquito Abatement Commission
Renewal and Increase Proposal

“For the purpose of funding of Mosquito Abatement Commission operations, for example the control and abatement of mosquitoes and mosquito-borne diseases, mosquito source reduction, public education, and operating expenses, and for the construction of a new mosquito abatement facility, shall the previously voted increase in the limitation on the total amount of general ad valorem taxes which may be imposed for all purposes upon real and personal property in Saginaw, which last resulted in a levy of up to 0.64 mill (\$0.64 per \$1,000) of taxable valuation, be renewed and increased for a levy of up to 1.00 mill (\$1.00 per \$1,000) of taxable valuation as finally equalized during the years 2022 – 2041, both inclusive, as authorized by Article 9, Section 6 of the Michigan Constitution of 1963, as amended, which if approved and levied in its entirety, is estimated to raise \$5,763,700 in the first year of levy?”
