By signing this document, I agree to the following terms:

_____ I am at least 18 years of age.

_____ I understand that by fostering, I am taking temporary custody of an animal belonging to Saginaw County Animal Care and Control (SCACC). I do NOT become the animal's owner when I take possession.

_____ I understand that these animals may be incubating an illness that could be transmitted to my pets. SCACC will not provide medical care or treatment of my own pets in the event they become ill or injured. I assume all risk of illness or injury to my own pets due to exposure to the foster animal.

_____ I acknowledge that SCACC has limited means by which to diagnose or recognize all conditions. SCACC cannot guarantee the behavior of this animal. I assume all risk of injury to myself, my pets, my family, or my guests due to exposure to the foster animal.

_____ I understand the veterinary staff at SCACC will provide basic medical needs of foster animals, but have limited resources and may not be able to treat or repair some conditions. In the event of certain illnesses or injury of foster animals, the SCACC veterinarian of record may advise euthanasia. I will accept the recommendations of the SCACC veterinarian of record as they relate to the foster animal.

_____ In the unfortunate event that the fostered animal(s) in my care perishes, I agree that I will return the deceased animal(s) to SCACC.

_____ I will not remove this foster animal from my premise listed on this application nor from Saginaw County without written permission from the Director or their designee.

_____ If this application is approved by Saginaw County Animal Care & Control, it will also serve as the foster contract and I am bound by its terms. In the event that I breach this contract, or do not return the animal(s) for medical care or upon the end of the necessary time commitment as designated by SCACC, the foster animal(s) will be removed from my home and permission to foster animals in the future through SCACC will be revoked.
