FROM: COMMITTEE ON BUDGET/AUDIT -- 4.2

JUNE 17, 2025

The Budget/Audit Committee met and considered Communication No. 6-17-14 from Christina Harrington, Health Officer, Saginaw County Health Department requesting approval of its SCHD Immunization Fee Establishment Policy.

Christina Harrington communicated with the committee that the internal policy will establish procedures the department will follow in establishing fees, for the immunization program, that remain competitive and fiscally responsible as purchasing costs increase, insurance reimbursement fluctuates, and/or new vaccines, biologics, and associated drugs come to market. As part of the county budget process, a cost analysis is performed annually to assess SCHD immunization program fees to align actual costs with fees. Approving this internal policy will allow for time sensitive price adjustments or the offering of new vaccines as applicable to the immunization program.

We recommend approval of the Saginaw County Health Department Immunization Fee Establishment Policy.

The Budget/Audit Committee met and considered Communication No. 6-17-20 from Christina Harrington, Health Officer, on behalf of the Saginaw County Opioid Advisory Committee, requesting to enter a contract with Recovery Pathways, LLC, to disperse \$250,000 from the county's opioid settlement fund.

Christina Harrington communicated to the committee that the Opioid Advisory Committee received one application for funding. The initiative, EMS to Pathways Program, will develop and implement a

community paramedic program in partnership with MMR to bridge a gap between emergency medical services (EMS) response and access to substance use disorder (SUD) treatment services. EMS will offer medication assisted treatment and build a streamlined system to directly refer overdose survivors to SUD services. The program will cover medication/treatment during a critical window of service delivery, ensuring patients receive immediate stabilization, critical screening, and partnered handoffs for continuation of SUD services.

We recommend approval to enter into a contract with Recovery Pathways, LLC, to disperse \$250,000 from the county's opioid settlement fund and authorize the proper county officials to adjust the budget accordingly.
